

SHIELDCAM

ShieldCam™

HD Quality Rugged Versatility

A good video system starts with high-quality, rugged cameras that can stand up to the harsh daily movements of school buses, while still delivering crisp, high-resolution video.

We set the standard with our ShieldCam™

Don't miss a detail, with HD 1080p equivalent images at any angle

Install anywhere, with glass and screw mount options, and versatile multi-axis aiming

See clearly at all times, with NightVision low-light system

Small footprint allows for space savings and quicker installs

See the whole picture: Maximum viewing without obstruction, thanks to unique low-profile design
