## What Our Customers Say About Us

"As far as Touchdown wireless management goes, I don't want to lose it. I've not seen another system that compares to it. As far as I'm concerned, I think it's a top-notch product."

**Jeff Wainwright**

Transportation Supervisor | Saratoga City, NY

"TD5G has brought (wireless) to a whole new realm. The speed at which it downloads video is amazing. It works. Touchdown is hands-down the future of school bus video management."

**Joe Czub**

Transportation Supervisor | NY

"Clover Park School District has been a customer of 247 Security Inc since 2010. We have upgraded throughout the years and have begun installing the new ZeusPT on our fleet with great success. We also utilize 247's Touchdown wireless management solution, a real time saver."

**Paul Vigil**

Transportation Director | Clover Park School District, WA

"One of the things we love about 247 Security is how easy the software is to use. DVR Viewer playback is the simplest fleet management tool that we have. It has all of the features that we need in an easy to navigate package."

**Brian Shaw**

Director of Support Services | JTHS

"I am a long-time user of 247 Security systems. We demand a lot of our technology suppliers and 247 Security has kept pace. Their new ZeusPT with OmniView brings our video program to a new level. When I call, they are there to take care of our video needs."

**Greg Agen**

Logistics Manager | Griffin, GA

"We started using 247 Security video systems a few years ago. They have served our customer's needs well and we continue to be pleased with their hands on service."

**Glen Attridge**

President | Attridge Transportation, ON
